

Good Evening

I have just a couple of issues that I would like to discuss.

I would like to see a report done each month describing what happens at the Planning Board and Zoning Report meetings. This would be done by the councilman who is representative on the Planning Board and a representative of the Zoning Board. Until recently, our Township website had not updated since August and September. These reports would be a good way for the residents to know what is going on in these meetings and in our town.

We are working on the draft of the Nepotism Ordinance and will be discussing it at the first work session meeting of the New Year.

I would like to thank everyone who helped and were involved with a successful Christmas Tree Lighting Ceremony on December 1st.

It was a pleasure to have participated in the affair and everyone seemed to enjoy themselves very much. I want to mention a special thanks to Frank DiLuzzio and his helpers, the East Coast Dance and the Delran Choir.

I want to wish everyone a happy and Safe Holiday and New Year.....
