

Good evening

I have a couple of items I would like to mention this evening.

First, let me say that I am happy to report the police officers hurt in the Van incident Monday night at the Target shopping center are doing just fine. Through their swift actions, more property damage and perhaps serious injuries were averted. I would like to compliment the officers for their great work.

It seems like we are making progress in our pursuit for sidewalks on Bridgeboro Road between Creek and Hartford Roads. This is a safety issue for our children walking to and from school.

We received a response from the County Engineering Office and it seems they are willing to participate in a project that will build the sidewalk that affects the crossing of the County culvert on Bridgeboro Road.

The existing guard rail will have to be relocated behind the proposed sidewalk and the embankment area must be enlarged to support the walk. The county would be willing to pay for the relocation of the guide rail but the township would be responsible for any design and permits needed to construct the embankment. We are still in the initial stages of this project. Naturally, we will keep the residents up to date.

The recently constructed townhouse community called Miller's Run is the last section of the Summer Hill. It seems as if one of the developers that Fentell Homes Corporation involved with the development of Millers Run, has recently agreed to provide the Summer Hill community association with a fountain for the retention basin. This will be used to circulate the water in the basin. We are still attempting to get the developer to install this fountain for the residents of Summer Hill.

Finally, the Christmas tree lighting ceremony that was held last Friday night was again a major success, I would like to thank the RAC, Frank Delusio, the Fire Dept., the East Coast Dance Studio and the Girl Scouts for all their dedication in making this evening a success.

Finally, I would like to wish everyone a happy, healthy and safe holiday and a very Happy New Year.

Thank you
