

Good evening.

First, I want to update everyone on the progress of the Delran Business Association. They have had their first two meetings and have their third meeting planned next month. I am very pleased with both the progress that they are making and the reception that I am receiving as I invite additional businesses to become part of the association. Most of the businesses in town are more than willing to become involved.

Also, the old Burger King is starting to take shape as a new diner. I am very happy to see that the building will no longer appear to be abandoned.

I have had several calls about the old Lonestar. The property is in the process of being sold, it has become an eyesore. I have asked Jeff to get on the owner to cut the weeds or have our public works staff clean it up and send them a bill.

I would also like to remind everyone concerned about the possible development of the land between Harper and Pancoast, that the issue is on the agenda for Thursday, September 6<sup>th</sup>.

Please be careful driving in town as school will open next week and our children will be out and about.

Enjoy the Holiday.

Thank you.
