

First, I want to congratulate the students from the Delran graduating class of 2007 from the high school and middle school.

I want to thank everyone who participated in the Relay for Life; it was for an excellent cause. I believe the total contributions raised were \$154,000. This is a tribute to those people that spent their time organizing and participating in this successful event.

I want to congratulate Sterling Bank on their grand opening. They had a very nice event two weeks ago. Their beach party theme was a lot of fun for parents and children, and there was a very nice turn out.

On a more serious note, I want to discuss issues that were brought to my attention since the attempted sexual assault in the Summer Hill development. A lot of residents contacted me regarding their concerns about the safety of Delran residents.

- 1) We have stepped up police patrol
- 2) We are reviewing the ordinance regarding curfews in our parks
- 3) We are looking into using phone call blasts to notify the residents in the immediate vicinity in the event of an emergency like this.

I want to remind the residents that have a direct concern on the proposed six- unit development plan between Harper and Pancoast Boulevards that the meeting is scheduled for July 12th at 7:30pm. as of now. Please contact Lynn Curry at the municipal building to see if it will remain on the agenda.

Finally since the Nepotism Ordinance got rejected tonight at it's second hearing, I want to assure everyone that I will continue to bring it forward until it gets passed.

Thank you.
