

Good Evening

I want to report that I continue to receive a large number of emails from concerned citizens regarding issues that concern them. Some we have been able to address immediately and some require more time to look into the cause of the problems.

On a serious note, the Delran Sewerage Authority has reported back to council regarding the issues reported in the Burlington County Times. While much of that report is confidential personnel related information, I assure you that I will continue to stay on top of this until I feel satisfied that the Sewerage Authority is back on track.

I am very happy to report that after a number of conversations, I have secured two donations to the township from Ott's Laurel Run Tavern.

First, I was happy to turnover a pitching machine to the AA that was donated from Ott's.

Second, Ott's is about to make the first in a series of \$500 annual donations to be a scholarship for a resident of Delran.

I will continue to do what ever is necessary to help improve the quality of life for the residents of Delran.

Thank you for being here tonight please tell your friends to come and participate in these meetings.
